- The table above sets out the attendance of Governors at Meetings of the Full Governing Body, Resources Committee and SDP Committee over the course of the past 12 months. Attendance at meetings of the Staffing Committee is not included in view of the nature of this committee: it meets as and when necessary to deal with recruitment, policy review and other staffing matters, and will co-opt governors from outside the core Staffing Committee where necessary or appropriate.
- It should be noted that Governors do from time to time attend meetings of committees of which they are not a member, if matters of particular importance or interest are being discussed: for example at the special meeting of the SDP Committee to discuss the School's Raise on Line information when that becomes available in the autumn term, or at additional meetings of the Resources Committee if particular items of expenditure require discussion.
- The table above does not represent a comprehensive record of attendance at all meetings: Governors meet often in working groups, sub-committees or less formal meetings.
